#	SUPPORT NEEDS	DESCRIPTION
	Money	Some of our tools need payment and some Project materials need a budget.
	Internet	We use the internet to gain skills for now. After all, our app will hypothetically be used via the internet. The internet is considered one of our main supports.
	Customer	Like every company, we need customers to develop and advance our app. the more we have customers, the more prestige we get.
	Reviews	The feedback from our users might help us improve our application in the intermediate versions. Positive reviews can make our app seem more attractive.
